

## SPONSORSHIP PACKAGE

### Languages Canada

Languages Canada is Canada's premier language organization representing more than 210 private and public language education members across Canada that offer accredited English and French programs.

Languages Canada is proud to take a leadership role in matters relating to language training and international education and works collaboratively and effectively with stakeholders and colleagues across the country and internationally. Canada is one of the leading destinations for international students in the world with students studying at all levels from across the globe.

### Who Will Attend?

The LC Tenth Anniversary Conference is expected to attract close to 200 delegates from across Canada, including owners, directors, marketing personnel and leaders from Canadian university/college language programs, private language schools and international education departments. We will also have provincial and federal government officials, NGOs, and other key influencers in the field of international education. The conference launch will be supported by a high profile media campaign across social media, and traditional communication channels.

### Sponsors for the Tenth Anniversary Conference (2018) will have the opportunity to:

- Profile their organization to an influential audience of decision makers
- Network with staff and others who act as a primary liaisons with international students and their families, international institutions, agencies, government and supporters
- Develop value-added partnerships with some of the leading language and international education specialists in Canada
